

FIRST LOOK AT 2015 STATE LEVEL UNINSURANCE RATES

Early Release from the National Health Survey (NHIS)

The NHIS Early Release (ER) Program produces preliminary uninsurance estimates quarterly. The January through June 2015 results provide the first opportunity to examine the impact of the Affordable Care Act on 2015 insurance coverage rates at the state level using large-scale federal survey data. These results are preliminary and are subject to revision.

PERCENT UNINSURED AT TIME OF INTERVIEW (ALL AGES) (January - June 2014 and January - June 2015)

*Statistically significant (1.95%)
